Our brand

Our goal was to bring on the market quality multifunctional pouches for daily use which will please your esthetical soul. Happy to say we did! Enjoy and don't forget to make a Little Time for yourself each day to cherish what's the most precious. YOU!

Waterproof

Pouches were originally made for wet yoga, fitness cloth and swim wear to keep the moist locked in the pouch for hours without unpleasant smell or leak. Over the years, however, they have been used basically for anything. Waterproof technical fabric will keep your treasure save.

Design

We want practical things to be beautiful. Hand sewn pouches with sophisticated functional details will bring into your days combinations of timeless design and beautiful earthy colors.
